**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition, I am using service from competitive service provider. I think their speed is fast and price is fair compare to large companies. I do not want price hikes that will increase my bill of internet and telephone services. I am highly satisfied with my current competitive service provider, I would like to continue using their service.
